ONLY 6 DAYS MORE

OF THE SUPREME OPPORTUNITY PERIOD OF THE GREAT CAMPAIGN—MONDAY, 10 P. M. SHARP WILL MARK THE CLOSE.

ANOTHER COUNT OF BALLOTS TONIGHT—NEXT STANDING OF POPULAR CANDIDATES WILL BE PUBLISHED IN TOMORROW'S DAILY NEWS.

These are certainly great days for the popular Candidates who are out to win the Ten Magnificent Prizes in the Great Campaign. They all realize that every remaining day of the Great Triple Vote Season is very, very precious; and they are not going to lose ONE HOUR of this time. They are all busy as bees; getting every possible subscription and extension—also enlisting every close friend and relative to their very best during the remaining six days of Triple Votes. They know full well that this Great Triple Vote offer is by far the largest of the entire contest—that it will close positively on Monday Night at 10 o'clock sharp—and that after that time Subscriptions and Extensions will be worth far, far less votes.

Do you blame them for doing their VERY BEST NOW? Certainly not. They know that this all-important period will to a great extent decide who are to be the winners of the really Big Prizes of the Contest.

AND THE REASON

For all this hustle and effort? Why, the Wonderful Prizes that are to be given away in less than Five Short Weeks. Just think of it! In ONLY THIRTY-FOUR DAYS from today and the $2000.00 in Magnificent Prizes will be given to the Winners. And by the way, have you seen the Grand Capital Prize—the $915.00 Dodge Brothers' Five-Passenger Touring Automobile. A duplicate of this wonderful car is at the Dodge Agency on Macdonald avenue. It can be seen any time. Mr. Sellers or Mr. White will be pleased to demonstrate to you the wonderful mechanism of this Magnificent Prize. Have you been at Hawley's yet—also on Macdonald avenue? The $350.00 Monarch Piano is there waiting to be given to the person who receives the second highest votes in the campaign.

Why not drop in at Poulsen's and see that perfect white stone $150.00 Diamond Ring that will be given to the Third Prize Winner? You will then realize that the Third Prize is certainly worth winning. And the Fourth Prize, the $110.00 Diamond Disc Edison, at the Richmond Hardware Co. Let them play it for you. You will then understand why the Daily News chose this make of Phonograph for the Fourth Prize Winner. By all means see for yourself the display of what you can get with that $100.00 Furniture Order at La Selle & Wright's. You will be agreeably surprised and you will realize that the person who comes fifth will certainly receive a handsome reward. But so with all the other prizes—they are all the best money can buy and will make happy those who win them on May 24th.

There was a large attendance at the meeting of the Women's Union Label League last night in Polytechnic Hall. At the next meeting, on the first Tuesday in May, arrangements will be made for a social evening and whist party.

The committee was appointed to visit the various labor organizations and explain the objects of the league and urge the union men to tell their wives.

The league is now an assured fact and will accomplish much towards increasing the demand for the union card and label. The league endorsed Carman, Snee and Ogborn.

Would Prevent Straw Vote On City Hall Site

Despite Pressure, Richmond Club Announces That Ballot Will Be Taken.

Saturday night a Candidates' ball will be held by the Richmond Club.

The big feature of the affair is to be a straw ballot on the City Hall site question.

As the council has so far successfully prevented the taking of a vote on the question, this straw vote is the first opportunity the people will have to express their opinion on the subject.

If you have an opinion, attend the Richmond Club's dance and vote.

It is reported that influence has been brought to bear on the committee in charge to prevent the taking of the vote. The committee insists, however, that the club has only the good of Richmond at heart and can see no objection to the straw ballot being taken.

The result of the vote will be made public.

MITE BOX OPENING AT WESLEY CHURCH

Members of the Home Missionary Society of the Wesley Methodist church are planning for their mite box opening, to be held Friday afternoon in the church parlors. All members and friends having mite boxes are asked to bring them to the gathering. The committee in charge will serve refreshments.

Superintendent Deasy and L. F. Woffl, assistant manager, will show them through the pottery and Superintendent Cameron and Assistant Superintendent Wangenheim will show them through the sanitary company's plant.

A banquet will be served in the latter place.

The party will come from Oakland in automobiles.

Y SOCIETY SPEND PLEASANT EVENING

Games and music were the chief diversions at a party given by the Y society at the home of Mrs. F. J. Woodford at 440 Tenth street, last night. All present enjoyed themselves, and the affair did not break up until a late hour. Those in attendance were Miss Myrtle Welsh, Hazel Fisher, Mabel Erwin, Jennie Yen Moore, Stella Shoemaker, William Hopkins, Ed Cochran, Randall Russell, Norman Woodford and Emerson Garrard.

DECLARES HE WILL "SHOW UP" WALL

James Flanders, 764 Seventh Street, Victim of "City Hall" George, Says Lawyer.

That James Flanders, a resident of 764 Seventh avenue, San Francisco, is the man that he alleges George S. Wall of City Hall fame, robbed of his contract to lots 33 and 34 in block 10 in Wall's Harbor Center tract, was the statement made by Attorney W. D. Grady yesterday. Grady, man interview given out on the case some time ago, refused to give the name of his client for reasons known only to himself.

In speaking of the case Grady said: "I am not done with Wall yet. He will find that out before long. I have been busy on many other things, but I am going after Wall soon, and when I do I will show his nefarious methods up."

Grady said further and rather heatedly: "I will prove before I get done that Wall has bunched people on his land sales. Nearly every day people come to the courts in this city and tell of the way they have been defrauded. I want this printed. I want Wall to know my position exactly. I am not afraid of him, but he will have good cause to be afraid of me before he gets through."

Brady reiterated assertions made some time ago that Wall took Flanders' contract for the two lots, and refused to give it up.

NEW BANK MAY BE FORMED IN RICHMOND

That Richmond is to have a new commercial and savings bank was rumored yesterday. It is said that John Nicholl, who Monday resigned as president of the Bank of Richmond, is backing the project.

It is thought that the lower floor of the building at the corner of Seventh and Macdonald avenue, now occupied by a cigar store, barber shop and pool room, will be the offices of the bank.

According to reports, John Nicholl is to be the president, W. Stairley manager and George Lee cashier.

Among those who were in attendance were Mr. and Mrs. Jenkins, Mr. and Mrs. Thomas Lester, Mr. and Mrs. Hunt Brown, Mr. and Mrs. E. Pearson, Mr. and Mrs. A. Hall, Mr. and Mrs. C. L. Nelson, Mr. and Mrs. Wycklff, Mr. and Mrs. Sanders, Mr. and Mrs. Whalen, Mr. and Mrs. Page, Mr. and Mrs. Allen, Mrs. Yager Hill and Mrs. Twogood.

LABOR CANDIDATES TO TALK ON BIG ISSUES OF CAMPAIGN

Terry Carman, J. B. Ogborn and James Snee will talk this evening in Barnaman's Hall, 324 Nineteenth street.

This is the first rally of the campaign. It has aroused a great deal of interest. If you wish to obtain a seat go early.

If you haven't met all of the three candidates go to the rally tonight.

A MESSAGE.

They have a message that you should know about. They are the three men that are talking facts in this campaign, and they are the only ones.

If you like being skinned on street work, don't attend the rally tonight. If you like the idea of paying $1.25 for gas, when the rate is 90 cents at the county line, don't go. If you believe, with the present majority of the council, that the voters haven't sense enough to decide where public buildings, parks and playgrounds should be situated, don't go. If you enjoy seeing thousands of dollars for city work going to San Francisco business men and workingmen, don't go.

Don't go, because you will hear something that will displease.

THE 90 PER CENT.

If you are with the 90 per cent that opposes the above method of working for the good of Richmond, go to the rally for the three labor candidates.

At Barnaman's Hall, 324 Nineteenth street, 7:30 tonight. Go early!

Start Work On Rails to New Marin Ferry

Work on the extension of the car line of the Oakland-San Francisco Terminal Railways to the nearly completed wharf of the Richmond-San Rafael Ferry Co., was started yesterday. It is expected that the job will be completed late today. The rails were all on the scene yesterday, and a big gang of men was put to work.

With the completion of the job those desiring to go to the wharf will be taken within a hundred feet of it, whereas they now have several hundred yards to walk.

No expense is being spared to complete the slip for the big celebration of May 1. Superintendent Mock last night reiterated statements made to the effect that the work will positively be concluded on schedule time.

Odd Fellow to Picnic In Marin

Next Sunday is the day of the big picnic to be held by the Odd Fellows and Rebekahs of Richmond in El Campo Park, Marin county. Considerable care was taken in choosing the location and El Campo Park was chosen for its beauty and because it is not far from this city.

A ferry will leave the San Pablo quarry Sunday morning at 9:30 sharp for the Marin shore. Street car accommodation from all parts of the city has been secured.

The committee in charge of the big event consists of J. W. Champion, S. Firle, L. H. Cobb, H. J. Beyer, E. Dyer, Mrs. E. Conley, Mrs. F. Heckman and Mrs. T. J. Shea.

Pretty Wedding at St. Mark's Church

At a ceremony performed by Rev. Father Quirke of San Francisco in St. Mark's Catholic church at 8 o'clock yesterday morning, Miss Sadie Gorman, daughter of Mr. and Mrs. G. C. Gorman of 1504 Nevin avenue, became the bride of George Kerrigan, local Santa Fe employe. Following the tying of the nuptial knot, the newlyweds left for Southern California, where they will spend a short honeymoon in Los Angeles and San Diego, returning here later to take up their permanent residence.

The bride was attired in a blue traveling suit and a chic white hat.

The bride was attended by Miss Sadie Smith, while John Kerrigan, a brother of the groom, acted as best man.

The ceremony was witnessed by relatives of the contracting parties and about twenty close friends.

GRAND JURY TO CONVENE AGAIN TODAY

This morning the Grand Jury will convene in Martinez again for the purpose of delving further into the affairs of the Richmond Water Commission. Current rumor around the courthouse yesterday had it that this latest session of the inquisitorial body would be productive of startling results.

As far as known none of the members of the Water Commission have been subpoenaed to appear at today's session. Several of the commissioners, when interviewed last night, stated they did not even know the matter was to come before the Grand Jury today. It is rumored that City Attorney D. J. Hall has been subpoenaed to testify. This could not be verified last night.

The Grand Jury has been investigating the Water Commission for some time, and has about completed the taking of evidence. Just what recommendations will be made, if any, are mere matters of conjecture.

Members of the commission contend they have nothing to conceal and that they welcome a rigid and thorough investigation of their methods at any time.

MISSIONARY SOCIETY HOLDS MEETING

The Macdonald Missionary Society of the First Presbyterian church met yesterday afternoon at the home of Mrs. W. H. Smith, 738 Virginia street. Exercises were led by Mrs. S. R. Pritchard. An interesting address on the "Church and the City" was read by Mrs. J. H. Plate. Mrs. A. H. Poage gave an illuminating talk on India.

HOLD WOMAN TO ANSWER FOR CRIME

Men Who Charged Her With Theft and Then Refused to Testify Not Present.

"Statements made by some that I am persecuting May Evans are false," said Attorney W. D. Grady yesterday in speaking of the Evans case.

"I have nothing but sympathy for her. I do not think, however, that Joseph Lobere, the man who had the Evans woman arrested, and who later refused to recognize his clothes in court, should be sent to jail for perjury.

At her hearing on a charge of burglary, held in Judge Lindsey's court yesterday, the Evans woman was bound over to the Superior Court. She was taken to the county jail at Martinez immediately after the hearing by Acting Matron Mrs. M. B. Elder and Inspector V. Phillips.

Lobere, the complaining witness, was not in attendance at the proceedings. From the time the hearing started until it was concluded the courtroom was crowded with spectators, many of them being women.

Among those witnesses who were examined were Inspector George Betts, Matron Mrs. White, Mrs. Cole, Inspector Phillips and Officer Eigenman.

Joseph Hagerty, charged with being an accessory to the alleged burglary, will have preliminary hearing in Lindsey's court at 10 o'clock this morning.

NATIVE SONS 200 STRONG TO VISIT CITY

Richmond will be invaded by 200 delegates to the Grand Parlor of the Native Sons, now in session in San Francisco, today at noon, when the steamer Monticello docks at the California Wine Association's wharf at Winehaven. They will be accompanied by their wives and friends.

Superintendent W. F. Wilson will receive the visitors, for whom a banquet will be served by the C. W. A. Following the banquet the delegates will be shown through the huge winery.

A large banner, announcing the candidacy of Assistant Tax Collector James Hoey for grand president will be placed over the Winehaven Hotel.

Brother and Sister Meet After 32 Years

Mrs. N. M. Chandler of Colorado Springs, Colo., and N. M. Bechtel, prominent resident of Crockett, brother and sister, met on Monday for the first time in 32 years. It was a happy reunion when Mrs. Chandler arrived at her brother's home, and stated her intention of visiting for several days. The brother and sister did not know each other until introductions were made.

Mrs. Chandler was accompanied on the trip to Crockett by her daughter. Until her arrival there she had been visiting a married daughter in Los Angeles. After seeing the sights at the San Francisco Exposition, she will visit soon in Eureka, who have been established in business there for several years.

Bechtel is a watchman at a Crockett warehouse.

THE LEGISLATURE LACKS MODERN THOUGHT.

(By Agnes H. Downing.)

What legislators need, and what most of them have not, is the modern view point in their law making. To illustrate, when the anti-injunction bill was before the Senate last week many senators plead most earnestly for the employer. Senator Stanley Benedict pictured the case of a restaurant with a strike and in front of it union pickets, who told people who came that the place was unfair to labor and for that reason persuaded them to cease patronizing the place.

The senator urged, almost with tears in his eyes, that the proprietor would soon lose his business; that the unions were taking something of value from him, something personal that the proprietor had put into it and would lose if the picketing were permitted to continue.

But who made the restaurant popular? Was it the cooking of the cook, the efficiency of the waiters, or was it some personal quality of the proprietor?

Since I heard the debate I asked twenty persons why they preferred a certain restaurant to other places in a like location and with similar prices. Six went because of the good coffee; four because of a particular touch in the salad; three because of the pie, two because of cleanness of the linen, five because of the promptness of the waiters. **Not a single one because of any quality of the proprietor;** not a single one even seemed to know there was a proprietor at all.

It is because the public feels that it is the work of the cook and the waiters that brings them to a certain place that the appeal has weight. And it is exactly because the employer knows this that he runs into court and gets a judge with a sixteenth century brain to issue an injunction such as even a sixteenth century judge would not have issued.

Time was when the proprietor put personal value into a restaurant; that was when his wife did the cooking and he and his children did the serving. Then people came to his house because of the service that he and his family rndered, or because of the good stories he told. Now the workers do the service and the daily papers do the entertaining. But the poor senators still think it is the proprietor of the restaurant that attracts people to his house and that the poor proprietor needs the use of he injunction to protect him from the consequences of telling the public the truth.

Such legislators do not know that the bond holding, dividend taking, proprietor can claim nothing in equity of the personal side that comes to a business that his personality has never reached. That value is put into it by the people who do the work. **Moreover, the cause of the strikers is the cause of all working people and of all small business people who depend on the workers for their business.** It is the cause of 90 per cent of the people.

Success of organized labor is for the best interest of organized society as a whole. A good home market depends on workers who are well paid and have good buying capacity. Lack of a good home market brings wars for foreign markets, and with war is disaster and destruction of all that civilized people hold dear. It is the mutilation of race life itself.

What we need is legislators who know enough of modern life to know those things. Legislators are still making laws for only 10 per cent of the people and on the basis of the man who did his own work; small wonder that we have so much discord and so much misfitting in laws.

SANPABLO TEA IS ENJOYABLE

The tea given by the Ladies' Aid Society of the San Pablo Baptist church last evening was pronounced a success in every respect by those that attended. A fine program was rendered and delicious refreshments served.

The committee in charge, to the members of which belong much of the credit for the success, consisted of Mrs. Davis, Mrs. Orth and Mrs. Beckman.

Kid Wunlick, who is training for his four-round bout with Plug Milne in one of the special events at the big boxing carnival, reports that he is down to weight, and that he now tips the scales at 135. He further says that he is in the condition of his life, and that Milne is due for an artistic trimming. Wunlick is working out at the Terminal Hotel.

PORTUGUESE PLAN FOR FESTIVAL

Preliminary plans for the celebration of the Holy Ghost festival, the greatest of many given during the year by the Portuguese residents, have been started, and the date has been slected as May 8 and 9.

This year's festival promises to surpass any that the local residents have attempted, principally because the Martinez council of I. D. E. S. desires to fittingly celebrate the purchase of the crown which attracted so much attention at last Saturday night's dancing party at the M. A. C. hall.

The crown is a very elaborate one, containing several hundred dollars' worth of silver and jewels. It is said to be the finest secured for any lodge in the bay district.

DEAN ARTICLES START TOMORROW

Tomorrow morning the Daily News will print the first of Pat Dean's articles dealing with famous boxers and historic ring events. Although Pat is always a busy man, he promised to have the first article ready for tomorrow's paper, when his memory was jogged up by the sporting editor. Pat refuses to state who or what will be the subject of his initial dab in journalism.

When the announcement was made that Dean had agreed to deign in his dome and furnish the readers of the Daily News with his impressions of fights and fighters, ye fans, young and old, took a new lease on life. Before the series comes to a close, it is almost a cinch that "inside stuff" of some of the big ring classics will be printed. Watch for the first article tomorrow. It is sure to be interesting.

M. M. CLUB CONCERT IS WELL ATTENDED

A large crowd attended the concert given in the Richmond Club last evening by the M. M. Club of the First Christian church. Claire Crowe, famous vocalist, sang a number of songs. He has a clear, full voice of rare beauty. A neat sum was collected after the program.

Cheek's Cubs beat the Union Street Merchants of San Francisco Sunday by the score of 12 to 8. The game was not as uninteresting as the score would make it appear. Holmes pitched for the Cubs, and he allowed the visitors only eight hits. The Cubs gathered a total of 15 base knocks off of Jackson, the opposing slabster. "Happy" Bradley gathered in three smacks himself, while Brown, Mottoda, Offer and Holmes all got two apiece.

Bert Chambers' Point Richmond Athletics beat the Holly Park club of San Francisco Sunday by the score of 8 to 5 Sunday afternoon. The game was played at Lang Park on the west side. Yanke and Mitchell were on the points for the Points.

MILNE CERTAIN HE WILL OWN

Another communication has been received from "Plug" Milne, local lightweight boxer, which follows:

"You are all anxious to see me fight, as you have heard how fast I am in the ring. You all want me to knock my man out. I will surely do this at the show next Tuesday night. I have quit being good to my opponents. From now on I will be in the squared circle to please the crowd. I have found out that it is not against the amateur law to land knockouts, so I am going in to beat my man, and put his name in with others that are pasted in my K. O. book. It may be that he is clever, and has a kick in both mitts, but I have beaten better men than Kid Wunlick has ever seen. I want all my friends to see me perform at the big show next Tuesday night.

"Yours truly, PLUG MILNE."

"THE PARDON" AT THE RICHMOND

A touching story of the widowed mothers' pension bill is seen today at the Richmond theater in "The Pardon," a three-reel feature, with many fine points. For deep moral earnestness and heart appeal there are few plays to equal this war epic. It has been advocated by every organization in favor of the bill and is a distinct study in the affairs of national pension bills.

"The Fatal Bumping" is a screaming Keystone farce, producing many novel effects in funny pictures and filled with ludicrous situations. For a two-reel drama the program will include "Silence," a weird and peculiar play.

MASQUERADE BALL OF POCAHONTAS LODGE TO BE HELD THIS EVENING

This evening in Pythian Castle the masquerade ball of the Degree of Pocahontas will be given. Music will be furnished by the Schwartz orchestra. Nothing has been overlooked by the women in charge of the event to make it a very enjoyable affair. The lodge has a well established reputation for its social functions and for that reason a good big crowd is counted on.

The woman in charge are Mrs. Lottie Donnelly, Mrs. Marie McNeill, Mrs. Ellen Warrilow. Admission will be 25 cents.

KICK ABOUT WATER SUPPLY

Numerous protests are being made by residents of Vine Hill regarding the water supply, especially in the hilly sections. So strong has the protest become that many individuals have written personal letters to the railroad commission and others are signing a petition to present to that board.

The residents claim that the Port Costa Water Co. has at times failed to give them enough for household necessities and that so far as fire protection is concerned the company furnishes them none at all.

Some of the residents called upon the district attorney to see if he could take action.

HUTCHINSON TO GET HIS MONEY

By a unanimous vote the supervisors have passed the claim of Eli Hutchinson, rancher of Concord, thus ending the dispute over some walnuts furnished the Contra Costa fair commissioner. The bill called for $24.50 and was approved.

As yet Mr. Hutchinson has not collected the claim, but it is believed that he will do so. John Bermingham, fair commissioner, has found it impossible to return the walnuts, as they have been placed wth others in order to add to the display.

The board also set May 28 as the time for the election of three trustees for the new reclamation district in the vicinity of Byron.

Resolutions were adopted chanaing the plans for the route of the state highway through lands of the Associated Oil Company. A deed for a right of way for the highway through the lands of Manuel Gobes was also adopted.

During the evening there was a big banquet, at which toasts and speeches were made, and dancing. Music was one of the features of the evening.

AMBROSE TAILORS COMING SUNDAY

Genial Ambrose, the Oakland tailor, will bring his gang here Sunday afternoon for a game with Bill Luce's Elk herd. The struggle between the cloth shearers and Luce's lads promises to be something out of the ordinary. Never let it be said that next Sunday's session will be akin to that of last Sunday in any particular. The Ambrose's are a regular ball team. If memory serves us right, the Tailors trimmed the Elks one Sunday about this time last year. Ambrose says he can beat the Elks again.

The Ambrose Tailors are neither to be despised or laughed at. Last Sunday it took Petaluma eleven long innings to beat the Oaklanders, and there are several score in this neck of the woods who claim, after lamping the box score in the Petaluma game, that Petaluma can't turn the trick on Ambrose's bunch again. But that is neither here nor there.

It was just mentioned by way of proving what a strong aggregation the Elks will be up against.

Starasinich, the boy phenom of Oakland, will pitch for the visitors. Pitted against him will be Burns and Gordon, the best two heavers running wild in the bushes.

Luce is figuring on elaborate ceremonies next Sunday. The game has been designated as a candidate's ball game. One candidate for councilmanic honors will hurl the first ball over the plate, another will catch the first ball thrown, and a third announce the batteries for the day. What candidates will do these stunts will be determined by a committee consisting of Wilhelm Voss, Speed Rodgers and "Fan" Richmond, who will draw three names of candidates from a hat, which will contain the monikors of the twelve men in the race.

The Mallory hat for union men. A large line of spring styles at Jones, Adkison and McRacken. —adv-tf

PETALUMA GAME IS SCHEDULED

At last! At last! After weeks of pondering and cogitation (We're trying cogitation out for the first time), Bill Luce has managed to inveigle Petaluma into a game with his Elks. Yes, he has.

The game with the Healyites will be a part of the big celebration that is to be held over the opening of the Richmond-San Rafael ferry on May 1 and May 2. It will be played on the San Rafael diamond.

"Shylock" Healy, after demanding the world, atmosphere and everything else, finally has come down off his tall horse. He and Luce talked business yesterday, with the result that the rival teams will clash on May 2 for the first time of the season. This will be but the first of a series of six or seven games in which the enemies will clash before the season is over. Richmond will win, of course. That's all you'll hear on this side of the bay from now on.

Luce has arranged to have the Elks busy two days in succession. On Saturday, May 1, they will play the San Rafael club on the home lot. You birds who follow baseball will remember that Lowie Lowenberg is the manager of the San Rafael team, so it is useless to try to tell you what kind of a game will be dished up.

The battle will start at 2:30 and is one of the features arranged for the opening day of the celebration by the committee in charge.

BOXERS TO WORK OUT BEFORE PUBLIC

Al Mejia, Jack Albright, Young Butch and the rest of the local boys who will appear on the big boxing card next Tuesday night will work out for the public at the skating rink tonight. The boxers will go through their paces before their admirers during the skating intermission. The public is invited to attend, and admission will be free.

Mejia is fast conditioning himself for his bout with Lewis. He is doing roadwork daily. Lewis is working out at the Union Saloon in San Pablo and his handlers claim he was never in better fettle.

Every Sunday shows the class of the Elks more and more. The home guards loom up like champions when compared to such inferior clubs at Petaluma, San Rafael and Martinez. If the Elks don't ease up a bit they won't be able to get any opponents a little later in the season.

In scouring Dr. Hall Vestal to examine all fighters before they step into the ring, Matchmaker Richards is simply complying with the state amateur boxing law. All the boys must be given a thorough test by some medico, in order to properly determine whether they will be able to stand the gaff when they get in the ring.
